“ Mary Lou and I attended Northwest Elementary School and graduated together in 1968. I am shocked and saddened to learn of her passing. She was a sweet person. In the cafeteria at Northwest she recommended dipping my onion in the mustard which I still do to this day. I reminded her of this memory a couple of years ago. May God strengthen you day by day. “ *April and Chris,*

I am so sorry for your loss. Losing a parent is so very hard. I worked with Mary Lou at Gibbs between 1998 and 2003 and I really enjoyed working with her. We remained friends through Facebook. Keeping your family in prayer for comfort and peace as you grieve and eventually begin to heal.
