“ *Throw my heart right away
Laugh through all the pain
Maybe some odd day
You will crack again
Sunlight drip too slow
Through the sadness you glow
Heart turn cold like snow
Someday we will know
I see the pain in your eyes
Someday you will shine
'till then we all cry*

“ *RIP Rosie/Matthew/Fee. I hope your family is doing okay and had a good thanksgiving, it must have been hard losing a family member so close to the holiday season, even though we never spoke much, and when we did we were never nice to eachother, it still sucks to see someone so young not be here anymore, especially since friends of mine cared for them so much. I hope sandra and frank are doing ok, best wishes to the both of you.*
