“ Sharon, I’m so sorry to hear about Michael. I just found out. I remember Michael as a little boy when we would come to visit in Yonkers. It sounds like he was very much loved. He is at peace with Gerald and Aunt Blanche and Uncle Pat. My deepest sympathies.

Will always remember our high school years playing hooky to play hockey and sometimes walk to the bowling alley to play video games. It's sad that our lives set apart our close friendship but I will forever be grateful for the memories we all had. Rest in peace my friend.
