“ I feel so blessed to have had Nancy in my life. She was like a sister to me as well as a dear, dear friend. One week ago was our last visit and I will always remember her smiling face as Dan and Richard so caringly and lovingly made her comfortable in her bed, all the while being snuggled by her ever present puppies, Abby and Penny. A new journey has begun for Nancy and we will miss her, but she enriched our lives immeasurably while she was with us.
