

Nathan Andrew Huettig

December 25, 1970 - January 5, 2017

Inman: Nathan Andrew Huettig, 46, died at his home on January 5 after a brief illness. Nathan was the husband of Melanie Maxey Huettig and the son of Ruth E. Cook and the late Gerald W. Huettig. Born in Pullman, WA, Nathan was the second child of Gerald and Ruth. The family moved to Hazelton, Idaho when Nathan was 4 years old. He grew up in Hazelton working on the family farm alongside his grandfather, dad, and uncles. Besides helping on the farm, Nathan was also on the football, basketball, and track teams at Valley High school. Nathan went to college at University of Idaho earning a bachelor's degree in marketing and finance. Nathan married Melanie in 1998, and they had 4 beautiful children. Nathan and Melanie lived in Twin Falls while raising their family until they had an opportunity to move to Indiana. It was there that the Lord blessed them with their 5th child. In 2014, the Lord opened up the door for Nathan to move his family to South Carolina. It is there where they resided at the time of his death. Nathan worked as a Marketing Manager with Rain and Hail crop insurance where he made many great friends. He was also blessed to find a church home and great friends at Community Bible Church of Holly Springs. Nathan will be greatly missed by all that knew him. He had a happiness about him that was contagious. He knew that God's plan is perfect, and he held strongly to his faith while dealing with cancer over the last couple of years.

Leaving behind to cherish many memories besides his wife are: five children of the home, Abigail, Thomas, Jonathan, Michael, Magdalene; two brothers,

Joel Huettig (Gretchen), Craig Huettig; two sisters, Lisa Baker (Ron) and Sarah Koonce (Kevin).

A Memorial Service will be held at Community Bible Church, 2515 Holly Springs Rd., Inman, on January 14, 2017 beginning at 2:00 p.m. Online condolences for the family may be left at: www.livingwatersfh.com. “ It is very sad to hear this news. Our thoughts and prayers go out to your family. I worked with Nathan for a short time while at ARMtech. He was a Godly man that was just one of those really great people that just had a good soul and had a great love for the Lord and his family and life in general. I feel blessed to have had the privilege of knowing him.

“ I cried when my sister texted me that Nathan is now in heaven, and my heart hurts for your family. While we rejoice that he is cancer-free and in the presence of His Savior, yet we miss him and mourn his absence. Love and prayers to you and the children, today and in the weeks, months, years to come. May the Lord's presence surround you and guide you. "There has not failed one word of all His promises."

“ I knew Nathan and his family from living in Eden/Hazelton and was happy when he was hired at Premier Insurance. I worked with him there for a few years until he moved to Indiana. He was always the most professional and friendly person. He had great integrity and compassion for everyone. He will be truly missed. I pray for peace and comfort to his family and friends.

“ I was very sorry to hear the news about Nathan. I took the position he vacated at Rabo AgriFinance in Indiana. I called Nathan with questions before I accepted the position and it was like talking to an old friend. I then had the privilege of working with him, before he moved to NC. We became fast friends, and always enjoyed being around him. You didn't have to be around him long to know his love for god, as well as the deep love he had for his wife and kids. Just a great guy and a huge loss. My thoughts and prayers are with Melanie and the kids. My heart just breaks for you guys.

“ My wife and I knew Nathan and Melanie for a short time in Idaho. They were wonderful people with great kids. Nathan was one of those friends who would immediately make you feel welcome and at ease. The last time I saw him he told me they were moving to Indiana, and from what I know of Nathan, he probably made a lot of friends there and in South Carolina. May God bless Melanie and their kids.

“ I am very sorry to read about Nathan. He moved here to Indiana from Idaho with his lovely family and worked with my team at Rabo Agrifinance. Nathan was our crop insurance expert and did his job well, teaching us about of his business and working together with loan customers.
He was a wonderful man who loved God and his family, and everyone knew and respected him for his strong values. He was liked by everyone he met, and we were sorry when he found a better opportunity and moved away.

“ Hi Melanie. It was such a blessing knowing Nathan and having Christian fellowship with you and him. Nathan's strong faith in our Lord Jesus Christ was manifested in the way he lived and handled his health trial. His example of how to handle adversity is an inspiration to me. I look forward to fellowshipping with Nathan again in our Lord's eternal kingdom. Please know that Teri and I love you all and will help in any way we can. May God bless.

“Nathan became our friend very quickly. When he visited we would eat and talk about insurance but he would always show a deep sense of love when he talked about his family. I will always remember the time he talked about feeling God's hand on his life.

I got to know Nathan thru his work with Rain & Hail. I am J. Rives "Judge" Manning, Jr., a Crop Insurance Agent in Halifax County, NC.

He was a fine gentleman and it was a pleasure to work with him. We shared several meals and serious conversations after he got sick. He knew that my wife had lost her battle three years ago.

My sympathy and empathy are with his family and friends. We will miss him, but he is not having any pain now.
