“ Bruce & Wanda~  
We want you to know that you are in our prayers daily. We remember all the 'good times' we shared together as friend's. Where does the time go? Although, time and daily activities of our Families and Jobs have taken us away from each other. We want you to know -- We love you both. Our prayer is that "God" will cradle you in his loving hands, and that he will come sit with you when it is quite, and you will know that you are not alone. Friends Always ~~

“ *Dear Bruce, Wanda, and Blake,  
I was so heart broken after reading of Nick's death. He had a beautiful smile and I always had to touch his blonde hair when I saw him at the daycare. I remember when Robb would come to your house to play with Nick. He always had a good time. I will continue to pray for strength and comfort during the coming months for all of you.

“ Dear Bruce, Wanda, and Blake,  
Our hearts are so broken over the loss of your precious son, Nick. We treasure so many fond memories of him as we spent so much time together as our children were growing up. We will forever treasure all the times Nick spent playing with our children; racing down the driveway in in the big hot wheels, playing games, climbing the big cherry tree,all the cookouts, the birthdays, Christmas when we would all get together and even PaPa would stop by for a quick visit,all the times we went to Side Street Pizza,the kids in our little pool with the slide,and so much more. Nick was always charming with his huge smile,big puppy eyes, those dimples and his brilliant questioning mind, always asking questions beyond his years. He was always so polite and sweet and always wanting to help. We especially remember our kids selling vegetables in front of the house from their play table and tiny chairs. Nick would have stayed there all day. We have been blessed to have him in our family and he will be deeply missed. He is with the King of Kings and we pray God will pour out his grace and peace and strength upon you during this difficult time and may he sustain you with his endless comfort and love in the days and years ahead.  
We love you so much!

“ Dear Bruce,  
I am so very sorry about the loss of Nick. Nick was such a special young man. I am so thankful I had the opportunity to know him. I will never forget the times I trained him and most of all the conversations we had. It was always a blessing to have him come in and work with him. He was way beyond his years in maturity. Please know that you and Wanda have been and will continue to be in my prayers. May God give you His grace and strength every moment of every day.##imported-begin##John W. Lankford##imported-end##

You are such a special person and will always have a place in our hearts. I wish we could have lived closer so that we all could have been together and Ava could have her Uncle Nick. I will mostly miss sending pics of her to you just so I could get your crazy responses back. I know you are at peace now and you are in Gods arms but I sure wish we could have you here longer.

“ Bruce, Wanda & Blake,  
I am so sorry for your loss. I saw the paper today & was just speechless. I have loved Nick since I kept him as an infant at the daycare. I remember baby sitting him on those Friday nights & holding him in the swing under the tree. He loved that! Even as a teenager/young man, I would see him out and he always would hug me and call me Ms. Tonya. He will be missed. I am praying for you all & if you need anything please let me know. Take care. Words nor actions at this time seem enough. We loved Nick so much and will treasure his memory in our hearts. God sends special children in this world and Nick was one of those special children. Even though now the pain seems so unbearable and we have so many questions, one thing we know for sure is how much Nick was loved. Nick is now watching us from heaven in God's arms. We thank God for sending Nick to us even if it was for a short time. We Love You All!

“ I was very surprised and saddened to see Nick's obituary in today's paper. I was Nick's Climb teacher in elementary school. It has been about 10 years since I last saw Nick, but I have fond memories of him as my student. He was so smart and mannerly. I remember that sweet smile and enthusiasm. Although I had many students over the years, there are some you just can't forget. Nick has a special place in my memories of students.
