Tribute Wall

“ I have known Ricky since the 11th grade in high school and after graduation we went to boot camp together in Fort Sill, OK. After boot camp we were in the National Guard together for the next six years and Ricky and I became close friends. I remember a time when he went on vacation with me and my family to Myrtle Beach. After we got out of the Guard, between raising families and careers, we lost touch with one another but I will always have fond memories of Ricky and the fun we had together.##imported-begin##Roger Miller##imported-end##

“ Our prayers are with your family during this difficult time. Tommy and I went to high school with Rick and it was always a joy to see him around town or at the baseball and football games and catch up. To his children, know that your dad was proud to be your parent and he loved sharing with his friends about the things in which you were involved. May God bless you and give you the comfort to carry you through this...Tommy and Tammy Simpson##imported-begin##Tammy Babb Simpson##imported-end##
