“ I’m going to miss you calling 10 times a day. I’m going to your miss your voicemail. I know that you loved me and my babies. I know you tried your best to do better. I wasn’t ready for you to go. My heart breaks that my kids won’t know you. Your craziness, loud, and out spoken will forever be in me. You was a very giving and you loved the best that you knew how. I won’t ever forget you momma. I won’t let my babies forget you. Momma I will love and miss you forever. Love always your sunshine ☀️
