“ Dear Marie and family. I was shocked and very saddened when hearing about Park this past week. He was a very large part of my business and personnel life for many years and I often thought of him as my best friend. We traveled together, worked together and spent hours just talking and planning for that next big sale. What a great guy! I will miss him. My thoughts and prayers are with you and your family.

“ Dear family,  
It is so sad to read that Mr. Urquhart has passed away. May your memories of him as well as a hope of being reunited one day - John 5:28,29 - bring you the peace and comfort you need at this time.

“ I am thinking of you all today as you celebrate Parks life! I truly would love to be there. I met Park when I was in the 8th grade, I even attended their wedding reception! I have so many fond memories of Park from Wadsworth, St Cloud, And at the B&B in Greer(?). Park always made me feel at home, especially when he and Marie were my only family when I moved to Orlando over 25 years ago!

*I love you Park thanks for being part of my life! Love, Debbie Golden*
