“ Sorry to just find out about Pat's passing. I was a friend and co-worker of Pat's for many years. He was one of the most caring people I have ever known. I wish I would have known about his illness . I certainly would have been in contact. We stayed in touch up until about 2020 when Covid and job changes prevente me from staying in contact. I miss his being.

“ *One of the best men I've ever met. He loved his 'family' fiercely. And would do anything for them. We love you Papa Pat and know you are safe in Heaven enjoying many long conversations with our Lord and Savior.*
