

Patricvia Cabungcal Chaney

September 15, 1954 - December 25, 2015

Patricia Cabungcal Chaney, 61 of Taylors, SC passed away on December 25, 2015 at her residence. She started her adventurous life in a jungle in the Philippines. Besides the Philippines, she lived and worked in Taiwan, Dubai and the United States. She was a proud employee of BMW and demonstrated an unending commitment to getting her assigned responsibilities completed. Only a rare few could match her endurance and dedication.

The greatest change in her life came when she asked the Lord Jesus Christ to save her soul. She brightened the lives of everyone she met with her genuine smile, uncomplicated lifestyle, her sweet spirit and her heart-felt compassion for others. "Let your light so shine before men that they may see your good works and glorify your father which is in heaven. It was the God of her Christianity shining out of her life as her changed character was on display for all to see. She left this world early so that God could give her a better seat at His supper table. Her husband Steve Chaney and her stepson Brandon only hopes that she saved a place for them. She will certainly be missed.

Visitation will be at Taylors First Baptist Church on December 28, 2015, beginning at 12:00 p.m. The family asks that donations be made to Taylors First Baptist Church in lieu of flowers as they were so special to Patricia during her life.
