“ *As I think back on my youth and my Victor Mill Hill Family. I have MANY friends I think of often. Patsy was one of the moms I made an effort to visit on my trips home. She always made me feel welcomed in her home. On my last visit with Pasty some two years ago. I visited with Patsy 2/3 hours while I gave my other friends on this trip maybe 10/15 minutes of my time. We talked and caught up on each others life's. But, before I left and the last thing I told Patsy was I love you. And you are in my mind a life long friend and she agreed.*

You will always be in my thoughts friend.
