“ I never met Paula. We became friends through EBay when I lived in Alaska and began an online friendship that I will always cherish. We shared so much. I moved a few times and sadly lost touch with her, but I have never stopped searching. I recently found this obituary and was so saddened to hear of her passing. I was so impressed by her intelligence, warmth, and humor. I will miss her but will never forget her. My sympathies to her family.

“ I had the privilege of working with Paula for six years at The Greater Columbia Literacy Council in Columbia, SC. , from 2000- 2006. Paula was the Office Manager and I was the Program Manager. Paula was dearly beloved by the staff and by all the Tutors and students over the years. Paula was very intelligent, and very witty. She was most capable in performing her job with professionalism and sensitivity. I have lived in AR for the last eight years and was greatly saddened upon hearing of her death. I will always remember Paula and cherish memories of working with her. I shall keep her family in my prayers and I send my condolences to her family, and also send my heart felt conviction that their beloved Mother/grandmother was a much beloved friend and coworker I will always cherish the memory thereof.
