“ I can still remember when Paula joined the Progress family, she told me she wasn't looking for just a job, but for a work family and place she could call home and she certainly accomplished it. Paula was with Progress Lighting for over 14 years and was one of the most dedicated and kindest people I have had the pleasure with working with. She touched all she worked with and was not only a colleague but a friend, who will be greatly missed but never forgotten. Rest in peace Paula.

Sending prayers and my deepest condolences to her family.

“ Sometimes my parents would go away for the weekend and tell me that I was going to spend a couple days with Aunt Paula. THAT WAS TREAT. There was always lots of laughs... and popovers! Can't forget those. I remember one visit having an impromptu disco party in the finished basement. On another stay there was an abortive trip to the drive-in in which the second show turned out to be what I now realize was American Gigolo! We left halfway through that one.

Paula, you left us all to soon, you are now in the Kingdom of Heaven. Your families will be ok with you watching over them, their hearts will always remain broken. You were a dear friend to me. We had good times together doing events, I can remember telling you, "what kind of a mess have you gotten me into now". You would always say "Oh you will be fine" and we would start laughing. You never got frazzled at all. I could go on & on, just knowing you, made me love you. I will miss our chats, laughing and crying at times, but know this for sure you will Always be in my heart & never be forgotten as my dearest friend. Rest In Peace in the beautiful garden of heaven. My deepest condolences to Mike, Kevin, Brian, her beautiful wonderful sister's and brother, and all of her extended family. May her memories be cherished till the end of time. 🙏💕

My fondest memory which always makes me smile is getting together at Paula's house for Thanksgiving 2007. All the sisters got together to prepare the bird for the oven. What we didn't do to that poor bird. We will mourn, cry, grieve, and our hearts are full of sadness, but my beautiful sister is in heaven with Jesus.

Happy Heavenly Birthday sister. You would have been 67 today and I will miss not making that birthday call and wondering "did my card get to you in time"?? Veteran's holiday always delayed the mail LOL. I will call you today and listen to your voice, the one I will miss so dearly. Till we meet again sis. Love you forever.
