“ I was so sorry to read of your mother's death in the paper. I knew her and your father when they were members at Mt. Lebanon, and they were both such sweet and nice people. Your mother gave me a couple of jars of pear honey and I always think of her when I eat pears. You will be in my thoughts and prayers.##imported-begin##Margaret Welchel Lindsey##imported-end##

“ Dear Nelson family,

Peggy was a dear friend many years ago when we were teenagers, enjoying Bowling and Skating at Brandon. The last time I saw her was when she and Jake were in Charlotte for a meeting. My husband and I met them for dinner and had a wonderful time talking over old times.

May God comfort you as you go through this very difficult time. Just know that your mother/sister was a special person to a lot of folks.

My prayers are with you.##imported-begin##Ruth Miller Fleenor##imported-end##
