“ *We are sending our deepest sympathy to Helga and Peter's family. Peter was one of a kind ... and one that our family deeply loved. Such a gentle soul, and I consider it quite an honor that he finished my two dogs, Black and Decker and Hope. Peter was greatly admired for his wit, his intelligence and how much he loved life. Rest in peace, my dear friend. You lived a wonderful and long life making many around you happy. Anne and Neil Evans*

“ Thoughts of sympathy and support to the Baynes family as they work through their grief for the loss of a husband, a father, and a grandfather. Mr. Peter was a born storyteller and an evening spent listening to his stories of dogs and dog shows went by far too quickly. May shared memories, laughter, and love of animals help you through this difficult time. Wanda Roberts and Richard Stolz
