“ Adam, Dwain and family...I am so sorry to hear of the passing of Posey. I don't think I had ever met him but feel like I know him because I have heard so much about him. Praying for your strength to get through this hard time and hoping soon your tears will turn into smiles as you remember the good memories you have of him. Lean on each other. ?

“ Joyce my thoughts and prayers are with you and the family. Favorite memory from Posey he would watch me mop the floor when I cleaned their home and would tell me " You would have been good in the navy because you know exactly how to mop the correct way." He will be greatly missed. God will be right by your side as you experience this lose but just think Posey is no longer having to fight his illness. Much love Dawn Varner.
