“ I will never forget that while Randy lived with us years ago... I was a child, he would turn his eyelids inside out (or whatever you call it) and scare the day lights out of me. He was always picking on us and trying to scare us! Rest easy cousin! I love you and will miss you!

I used to hang out with Randy back in the 80s. I met him at a Truckstop where we worked in Duncan. I'll never forget the Dodge Duster he drove. It had a 340 Wedge engine with headers. He floored that thing out of the parking lot out on to 290 one night. We could hear it screaming 2 miles down the road.
