“ Becky was a special lady to me. From being the best bus driver at Oakview to my favorite at CVS. Then my sweet neighbor. When I moved out of the neighborhood to my house that had no flowers, she gifted me some iris and very special gladiolus as they were from her mother’s yard. I had not heard anything since Christmas and did not know of her recent condition and actually texted her Tuesday about my iris blooming and thinking of her. Larry and family.....,you are in my thoughts and I will take great care of Becky’s bulbs she shared. Starr

“ I knew Becky well. Most of my life to be exact. I still love her and Larry with all my heart. We attended Carroll Chapel Methodist Church. In Sneads Ferry until they moved. Becky worked with my mother at First Citizens Bank for many years and they were very good friends. I know she is reunited with her family and that she is safely "SHELTERED IN THE ARMS OF GOD".I was shocked to hear of her passing. My prayers are with LARRY and the family.

“ Sending our hugs and love, good memories and prayers. God bless you Larry and family, may His peace and His strength be with you. We loved and will miss Becky. I always remembered when we were young, Becky would rescue you from us boys. We all knew to scatter when we saw that green 66 Fairlane coming into sight. Love you brother.
