“ I taught with Becky for many years at Fairforest Middle School. Our classrooms were two doors apart. We shared students in common and became very close. Becky's sweet demeanor and caring heart will be greatly missed. Rest now, Becky in the arms of your Lord and Savior. Barbara T. Newman

I think this is the same Mrs. Weaver that taught me in the sixth grade at Chapman Elementary School. If so, she was a wonderful teacher and kind person. I have thought about her often...I graduated SHS in 1978 so I was in her classroom around 72-73. Prayers for her family. Know she was loved by many.
