“ This is Ricky’s sister in law Vicki Wilson Davidson. We heard about Ricky’s passing today when my Christmas card was returned today and the yellow sticker said “deceased”. We are very sad and do not understand why Kay did not notify us. My daughter found his obituary today. Correction: There are more than 3 nephews. There’s 2 more nephews Roger Wilson & Caleb Davidson. He also has 2 nieces Michelle Temple & Sarah Davidson. We were very close to him and his wife Sheila for many years. Also it was not Sheila Allen Tinsley. It was Sheila Jean Tinsley. Her maiden name was Wilson. Rest in peace Ricky and we love you. We will get your and Sheila’s wishes taken care of.
