Rithy was born in Modesto CA, on April 27, 1986.

Rithy was an amazing father to his son, a devoted brother and devoted son to his mother Mao Inn. He left behind his son, Corey, and his siblings (Thea, Sophea, Thoeun, Steve, Rithana, David, Christy and Anthony). Rithy enjoyed making people laugh. He is one of those people that will come up to you first and greet you. He was always kind hearted and caring. He had an upbeat personality. He will give the shirt off his back to a stranger in need or his last dollar. He was that person who wants to put a smile on everyone faces. He joked around a lot. Made everyone laugh to a point of annoying all of us with his humor and presence.

Rithy's passion was being a barber. He gave the world best fades and cuts. Everybody knew him as the guy with the swag for females, sharp cuts, and flashy fashion. In other words "Ritty Pumper"!

He will deeply be missed by his family, friends and all who knew him.

“ Ritty was my friend and barber for over 15 years. The last memory I have of him was back in November 2019 Ritty texted me and said “Ron you’ve always been a good friend and kept it 100 wit me, I’m shopping online for my kids right now, what size are your kids I want to get them something.” Because that’s the kind of man he was! I love you brother until we meet again.

“ I knew ritty through his brother ritna in school in Philly. He always was a cool dude and funny and gave me one of the best haircuts when I was younger. We all grew apart over the years but the love will always be there bro. You’ll be missed by all but forever loved bro .

“ Ritty was my baby’s best friend and my first love. He had a love like no other because it was both unconditional and genuine. He was supportive caring, on top of being a slap knee comedian. Through it all he was a person who is unforgettable and Corey will carry your spirit on. We love you forever! You made us proud and we’re proud of you.
