Bob was an old customer of mine as well as a competitor over the years. I called on Bob when he owned his parts store in Duncan back in the 80's as I was his warehouse salesman at the time with Alexander-Seewald Co. out of Atlanta.

Later on as my career changed, Bob got his truck and we were calling on the same installer accounts and Bob became somewhat of a competitor.

I never felt that Bob was a competitor, just more of a friend. I always looked forward to running in to Bob at the various shops. Bob was always very appreciative of his customers and I considered him a true friend in the parts business.

Rest in peace my friend and my thoughts and prayers are with the family at this time!
