“ Rebecca you and Brian have been by my side during some of my worst moments and I knew I always had both of you! Rushing from Blacksburg to my house to calm me down or just coming over to help me with a screaming baby. It never mattered the circumstance the good the bad y'all were here. Playing video games half the night while we talked I will always hold on to these memories! I want you to know I am always here for you regardless the good the bad or rushing to you an hour away I will always be here for you and Alex! I love you.

My heart goes out to the family of Brian. I will truly miss his easy banter at work and him telling me hey is for horses when we would talk on the work phone. He was truly a great guy. May god hold you all in His loving arms in the days and years to come.

“ Brian, I miss you so much!! Even before you married my best friend, Rebecca, you were one of my closest friends! You were a person that I could always count on and you made my best friend very happy! When we saw each other, you never left without saying, I love you and would give me a hug! You had such a huge heart! I not only saw you as a friend, I saw you as family, even though it wasn't by blood. I promise you that I will always be there for Rebecca and sweet Alex and you will always be in our hearts!

“ *Brian, you will be missed by all in the family, both the actual family as well as your work family. And Becca you know you and Alex have more support from people all around you than you can even imagine. God is good all the time. It just takes time to see his goodness occasionally. But that's OK He has all the patience in the universe waiting for you to see it.*
