“ So many happy memories of Robby growing up ..My children spent as much time with his family playing with John and Pat. Was so sad to hear of his passing. Will have his family in my prayers in the coming days.

“ My thoughts and prayers are with the family. I am Robbie's first cousin. Even though we lost contact over the years, I have such great memories of our childhood. Fun summers in Conn. and in Lyman. I remember playing war with all sorts plastic army figures! We would play basketball for hours! We were both so competitive! When I think of him, happiness and laughter come to mind! I will continue to keep John, Pat, and all of the family members in my prayers! Karen Bramlett Covington

“ My deepest sympathies to you and your family. As a child, cousin Robbie was so kind-hearted and gentle even though Norma was always giving him a "whuppin".

Norma, and my mom (Corrine) were thick as thieves. Our mom would bring us kids (Diane, Debi, Kathy, Billy and me), when she went to visit Norma. Those were the days when children were meant to stay outside and play until the sky grew black. Everybody loved playing at cousin Robbie's house. All the neighborhood kids would come over and we'd have long games of "Kick the Can" or Hide and go Seek". Robbie was two years older than me. He'd watch out for me and help me hide.

I was petrified of the big German Shepard named Rocky. Robbie would say that he'd feed me to Rocky if I didn't stop pesterin' him. I knew he was teasing because he always had a mischievous twinkle in his eyes. I'm sure you all have your own wonderful remembrances to share for years to come.

*All my love,
Linda (Hannigan) Quinn*

“ I am so very sorry to hear of Robby's passing. I have precious memories as a little girl of visiting the Hannigan's. It was a special treat to run and play in the yard with my cousins and then get some of Aunt Norma's famous lemon tea. My love and thoughts go to you all. With deepest sympathy,
