

## Robert Norman Johnson

April 17, 1941 - November 29, 2024

Robert Norman Johnson, better known as Bobby, 83, transitioned to eternal peace at 4:30 p.m. on November 29, 2024, at his home surrounded by loved ones. He was the only child of deceased parents, Norman Heyward Johnson and Alice DeYoung Johnson. Bobby has three surviving children, Robert Gary Johnson, Terry Wayne Johnson, and Regina Marie Poulcott; six grandchildren; five great-grandchildren; and several extended family members who brought immense joy to his life. His request will be honored as he did not want a funeral service to be held for him. The family requests that while you reflect on his memory, remember that he wholeheartedly loved and cherished all of his friendships.

He was born and raised in Duncan, SC, and was a hard-working farm boy who graduated from James F Byrnes High School in 1958. He retired in 1996 from Nutex, Inc. Greenville, SC.

While polishing his Case knives, he shared stories of his youth with his best friends, Marvin Yarbrough and Leland Harvey. He took pride in growing up on a farm and earning his first 1937 Chevy.

Bobby was a hard-working, supportive, and loving father who built many lasting friendships throughout his lifetime. In his 50s, he retired his love for an occasional Jack Daniels and Coke after a long hard day of work. During his retirement, depending on the day of the week, you could find him at Bojangles with his breakfast crew or at the Barn Yard flea market trading and making deals on Case collector knives. He enjoyed sharing various stories of his

youth, memories with his children & grandchildren, and chuckling about his “knife buddies”. He was an active member and supporter of the Hejaz Shriners. Bobby’s legacy of love, friendship, and quiet strength will be cherished by all who knew him. His life was a humbling example of how to cherish the small things in life and how to make lasting positive impacts on people’s lives.

Rest in peace to his sweet soul.
