“ We used to live across from Bruce and Margie. He would come over during the day and check on our little Yorkie who was aging. He loved dogs. If something went wrong in the house Bruce knew who could fix it and cheaper than anyone else. He always had time to chat. The worse thing we had from moving was leaving Bruce and Margie. We begged them to move to our new neighborhood. Bruce was a man who was loved by a lot of people. We will miss him dearly. Margie, we're so sorry for the loss of Bruce. You and your family are in our prayers.
