“ *Terry was a beloved cousin & growing up he was one of the younger ones who we loved to spoil. He is in heaven now without a care or a pain & face to face with God. Our heavenly family is there to greet him. Rest In Peace, Terry!*

“ *I enjoyed knowing Terry for these few years. I always liked playing the devil's advocate, whether I agreed with his viewpoint (which was most of the time) or not. I was Meathead and he was Archie Bunker. He was an all around good person and he'll be very much missed.*
