“ Connie and I offer our deepest condolences to Pam and the family. Most of my memories of Ron go back to his younger years. I remember fishing trips to the jetties at Port Aransas; Ron working on the “homemade” air boat, dove hunting trips at Linhart farm, and family reunions. I remember Ron and Robert’s confirmation, and the many baseball games. Ron’s senior year HS football coach was also mine 14 years earlier. I remember Ron as very easy going, would help anyone in any way that he could, and he was just a real joy to be around. He will be greatly missed by all.

“ I am sorry for the loss of Ron. He was one of the good ones at DG in Jonesville. He was a man of great Christian faith who loved his family and friends. Ron was full of life he had an infectious laugh and smile that would light up the room. He was a manager that was fair and treated people with respect and honesty. The people at DG respected him and loved that of him. I was honored to have known him and work with him at DG. He was competitive when we would have games at the warehouse and he loved our DG Christmas parties when we worked together. He had so many hopes and dreams of the future and looked forward to the time he and Pam could spoil grandchildren and have time to relax and do traveling with Pam in their retirement years. You RIP Ron you are with our Lord and savior Jesus Christ walk those golden streets and celebrate with all who have gone before you and continue to watch over your loving family and friends until we meet again.

“Hearing of Ron’s passing casts a shadow across my heart. Although time and distance tend to drift family and cousins apart - please know he played a BIG part of the happiest times of my upbringing. I am truly sorry for his untimely loss and my sincere condolences.

In honor of my Cousin Ron life, I’d like to share some memories of spending time with Y’all in Somerset.

My Mom and Stepdad would drop us off to spend time with Grandmother – poor Grandmother she would never see us because we would end up at yall’s place just up the road. That’s when the trouble began... (Just kidding)

I recall playing electronic vibrating football - the game that vibrated the players around the board into indistinguishable chaos, Monopoly, Life, Sorry, Scrabble, Cards, Hot Wheels, and you name it – oh, and the sibling arguments with your Mom issuing the swift hand of judgement – believe me, it was all part of the excitement! There was churning ice cream by hand to get relief from those hot Texas summers, riding in the dune buggy, coon huntin’ with ol’ Blue – and yes Uncle Roy, I remember you showing me the Arkansas tooth pick (a story I still share in appropriate company.) There was Ronnie Milsap playing on the 8 track while shooting pool under the carport, Rhine Stone Cowboy playing (endlessly) I must have driven Cindy nuts. I’d give anything to be able to travel back in time and spend a hot Texas summer with Y’all all over again. The absolute best of times - near and dear to my heart.

Mom passing in ’77 and being displaced some 1500 miles away changed the course of a lot of things except for the wonderful lasting memories your family gave me.

My prayers and love are with you all during this difficult time.

Rest in Peace Cousin.
