“ I am Crystal Mckendree and I was his half sister. We shared the same mother her correct name was Hazel Marie Mays (not with an E) Mckendree. My father Jerry Mckendree raised Ronnie from age 11, even helped him by his first car which he wrecked playing chicken with our cousin Bucky. My dad raised him as his own even gave him his inheritance years ago so he could start his Wicker business of \$40,000. Which was made clear and understood by Ron that it was all he was getting. Ron agreed with that. His own dad didn't raise him mine did. Even though my family resented me over money (inheritance) because I was born late I still loved him. RIP big bro.
