“ I will never forget the way Ronnie treated me. He always told me that I was one of the boys and that I would be welcome in his home anytime. He was a man who knew how to take care of his family and raised two of the greatest guys I know as his own. Ronnie will be with me for the rest of my life and I cannot wait to see him again and soon. No one I know gave me as good of advice as him. Even when I was suffering through my drug addiction, Ronnie and Karla still supported me, even though they were disappointed with how I was living. As long as I was around them, they loved me. Karla, Marc, Josh....I love each of you more than you will ever know. No matter what you need, just ask. I know that he would've done the same for me and I will do the same in return. I love ya'll.
Forever.##imported-begin##Jonathon Ives##imported-end##

“ Dad, you will forever be in my heart. You taught me so much about being a father, a man, and a husband. I will never forget what you have taught me. Always know that baby Willow will love her Pop Pop and will be raised hearing many stories about her Pop Pop. Nothing will ever fill the void i have in my soul that came when you left this world. I will see you on the other side. Your boy, Marcus.##imported-begin##Marcus Stevens##imported-end##
