“ Paula and Lori, my thoughts and prayers are with you both during this difficult time. Not very long ago I went thru the very same and understand the void left behind. My childhood memory snap-shot of your mother and my father were of them standing on the side of the road discussing if the three of us could play together. Our choices were to play around a gas station or a Tractor sales and service shop. Either choice contained possible death or disfigurement. As a parent now, I cringe at the thought and wonder “what on earth were they thinking”. Many... many more fond memories. You both were the closest thing I had to little sisters... actually I love each of you as if you were. EBB###imported-begin###Eston Bruce Bramlett Jr. and Family###imported-end###
