“ Sam was hands down the best aunt a girl could ever wish for. If I needed her she was there regardless of what it was. She would always joke with me and say that I was her FAVORITE NIECE!!! I'm fact that's what my contact name was in her phone. And I would tell her she was my favorite aunt. Well neither of us was really joking. What's understood don't have to be explained 🙄. Gah lay imma sure miss her and her beautiful self!!! Gone but never forgotten!! I know for sure that she is up there dancing with my Mama. Which was her best friend.

“ Sam was such a wonderful person with a heart of gold. She would give you the shirt off her back. She was the best aunt. She treated me like a daughter and I will forever cherish the sweet memories with her. Sam was definitely the person you wanted in your corner. She never ever had anything bad to say about anyone. She got me through many life lessons and I don't know what I would've done without her. I could go on forever that's just how special she is to me. I will forever miss her & her the encouragement she always gave me! I love you Sam
