“ *Candi, Angel, and Jennifer*
Please accept my deepest sympathy on the passing of your beloved dad. What memories I share w/ your family from the days back in the 60's when I watched your mom and dad fall in love across the street from us at "Aunt Faye's" house and through all the years we shared living in Arcadia. My best memory is of you, Jennifer, being in my second grade class and working w/ your dad as he helped you be successful in second grade. What a wonderful dad he was! I know you all will miss him greatly.
Your family will be lovingly in my heart and in my prayers.
With much love,
Randi McCoy
