“ There are those that cross ones path for a brief moment and are then gone like wind.

Then there are those one is blessed to have paths that lead back to one another.

I would have never thought the sweet lady that made my dream of petting a cow come true, I would also have pleasure of spending some of last moments of her life to make lasting memories for her family in return.

The Taylor family, Waterford At Dillon Pointe and all of Hope Church has your family in our prayers. Thank you for sharing such an important part of your lives with us.
