“Sandy was my dear, precious sister-in-law and sister-in-Christ, and I loved her so much. She was kind and humble and had a sweet spirit about her. I loved her smile and loved to hear her sweet, gentle one-of-a-kind laugh. There will never be another laugh like hers.

We always enjoyed going out to eat when they drove up from SC, but some of the special highlights we enjoyed was when my sister Gail and I drove down from Lexington, NC to meet Sandy and our brother "Buddy" (George) at Hamrick's in Gaffney. After shopping, we all went to Cracker Barrel and enjoyed a late lunch together. We had so much fun eating and talking and then came the sad time when we hugged and had to part and drive back home. I have so many memories and pictures of times we were together. I'm so thankful that God gave us the gift of memories. Someone said, "God gave us memory so that we might have roses in December."

In His Word, God promised that believers in Christ would spend eternity in Heaven with Him. He also assured us that we would see our loved ones again who also believed in Jesus. One day I will meet Sandy and all my saved loved ones again in Heaven where we will be together forever.
