“ I remember the day I took this picture, you thought I was crazy dragging you to a picnic and to feed the ducks..I know you just went to humor me, but It made my heart smile to see you actually having fun. And so often when you were trying to feel good and escape all the craziness of your life, you'd call me in the middle of the night and ask if I wanted to go feed the ducks again soon, breaks my heart that we never went again 💔 I love and miss you so much, and I forgive you..I know the true you wished things were very different.

I will never be the same without you..I love you Sticky Buddy 🤗❤️
You are "My Favorite" too

“ Sean was my coworker and my friend. He was a good friend. If you ever needed his help, all you had to do was let him know and he would be there. I just really wish that he could have found a way through his pain to get back right. To his grandmother, mother, sister, and stepdad: I am so sorry for your loss. To his daughter, Laraia, I'm sorry that you'll never get to know your daddy. But know that he loved you so very much! And I do too! My love and prayers go out to you all!
