“ My name is Betty {Massouh} Chimento. Selma and I grew up in Jacksonville, Florida and we lived around the corner from each other. I was so shocked to read her obituary as I was surfing the web. We were the best of friends, growing up. The last time I heard from Selma was on my birthday many years ago. Melissa, I remember when you were an infant and Selma brought you over to show you off to me and my parents. I wish we had stayed in touch, but it wasn't to be. To her family, please accept my sincere condolences and know that we will all meet her again someday.
