“ *Steve was like another Dad to me & my brothers. We laughed a little harder and more often when he was around. Our Sunday afternoon tacos & tostadas tradition will forever be some of my favorite memories. I'm thankful for the lifelong best friend he was to my Dad, thankful for all the times he made our heavy load lighter, thankful for all the popcorn movie nights and belly laughs, and thankful the Lord saw fit to let us love and be loved by Steve Trotter in this life. He will be missed.*

“ Steve, sometimes words don't seem like enough. You have been my best friend for over 50 years and we have known each other for parts of seven decades. But 1967 to 2021 does not seem like a long time now, it certainly does not seem long enough. Your friendship and love will never leave my mind or heart. From the day we met, you and your family welcomed me in as one of yours. Just as God and his Angels welcomed you home this past Thursday. Enjoy your place in Heaven and all it's peace and joy. Thank you for 54 years of wonderful memories. God tells us there is a friend that sticks closer than a brother. I know that is true because I know you. Words are not enough but thank you Steve.
