“ Our condolences to Susan's family: to Velma, Terry, Rachel & Matt, Ansley and to Steve, without whom we would never have had the pleasure of meeting Susan.

Susan was bigger than life, she could bring joy and laughter to a room full of people. To know Susan was to love Susan.

Thank you Susan, for being a part of our lives. You left us with a huge void, and with time and prayers we will fill that void with the fondest of memories.

“ I never met Susan, but Steve was like a son to Bob and me. Steve would visit us many times and always talk about Susan and his family. How very tragic to lose your love so young in life. May God bless Steve and his family and Mother Mary comfort Steve in these sad days.
