“ *Tammy to say this is breaking my heart is an understatement. You have been there not only for me but my son for the last 15 years. I'm so very thankful that the last time I was with you, I told you I loved you. What an awesome person to have in our lives. I bet you have all of heaven rolling in laughter because no one can be around you and not laugh and feel happy. I know sweet Gracie misses her Momma. While I never got to meet Richard personally, I know how happy he made you and how much you TOTALLY deserved that. You will be truly missed and there is a hole in my heart that will never be filled. Thank you for being you. LOVE You. Until we see each other again. Thank you for being in our lives.*

“ It breaks my heart into a million pieces knowing I'll never get to see you or talk to you again. It kills me knowing I never got to say goodbye or how much I loved you. You were one of the most kind and sweet people God ever made. Hard to believe that 2 Sundays ago would be our last time together. I know you're in a better place right now but the selfish part of me wants you back here with us. I'm gonna miss you so awfully bad. Gone, but never gonna be forgotten.

“ Tammy was a beautiful person, inside and out. My sincere condolences for the loss of her. She will be missed. She always had a smile on her face, even with her health problems. We had some great talks and lots of laughs. Rest easy, my friend.
