“ I was only 5 years old and lived across from the old Ninety Six High School. Terry was maybe a Freshman at 96 High at the time ? There was this tall pecan tree in the yard. As he was getting out of school that day, I was trying to knock pecans out of the tree with a rock. Terry stopped, he clime that tree, shook it all he could, jumped up and down on the limbs, pecans were falling ever where. Boy was I happy. He clime down, ask if I needed anything else ? I said No sir. He walked away. On that day I didn't know his name, just thought he was a nice guy. Had no idea he was Terry McIntosh or my cousin. Didn't know until the next day. I think maybe that was his girlfriend with him that day, maybe you can remember?
