“ I have so many fun and loving memories of Terry and me while growing up together in Norfolk, which is something I deeply cherish. Terry was not only my cousin, she was my sister. When Terry moved back to Norfolk to help take care of my Mama, words can't express how much love and appreciation our family felt for her. The tremendous love, compassion, and care Terry gave to my Mama will remain forever in our hearts. Terry will always be our Angel. And even through the difficult times, Terry knew how to bring so much joy and laughter to our family. Terry was a very loving and special person! Forever in my heart, I love you! Nancy
