Cherie Wilson - September 24, 2019 at 03:38 PM

“ Mrs. Erwin, I'm so sorry I wasn't able to make it to the funeral today. I just wanted you to know that I'm so sorry about your loss and that I'm praying for you and your family. Thank you for all that you've done for me in the past from teaching me and to writing reference letters for me. I know how much you loved Mr. Erwin and how hard it is to lose him but you're one of the strongest women I know. You can get through this.

“ *It was both an honor and a blessing to get to care for Mr Wayne and his precious family. I grew to enjoy those moments when he would pat my shoulder in hello while I was at my Med cart or just take my hand for a moment. I'm really going to miss him. Sending love and prayers to his beautiful , supportive family. We thank you for walking this journey alongside us. Wayne I was your nurse but most importantly your friend 🙏*
