“ I will always have great memories growing up with Tim in Boulder and also since we reconnected 4-5 years ago. We traded emails and phone calls about computers, software and had a wonderful time catching up. When he visited Seattle with his family we got a chance to spend an afternoon and dinner together and it was so much fun for me to catch up in person as well as meet his family. I will miss the emails and calls with Tim.....

*Tim's MEGAWATTS smile and laughter I will always remember. We moved next door to Tim and Kelly back in 2001 in Greer South Carolina both Kelly and I being newborn moms weeks apart from each other and he and Kelly welcomed us to our beautiful neighborhood with open arms. They were family when ours was 5 hours away. News of his passing broke my heart because I knew his precious wife Kelly loved and adored him and was now lost. A piece of her gone but never out of her heart ❤️ Tim will live on through Kelly and his children. Certainly gone too soon and forever missed and in our hearts.*
