“ Tommy and I want ya'll to know how special your memorial service and tribute was for Tim. I grew up with Tim on Wheeler Street, we went to the same church and were in marching band and part of the Byrnes High Class of '79. All those years growing up there hold a special place in my memories and heart. It was always a wonderful treat to see Tim when our paths would cross in later years and on Facebook.

All of you will certainly be in our prayers as you adjust to to this difficult time. May God grant you the comfort and peace that only He can give.
