“ I have been a loyal patron of his barber shop for the last 6+ years. I was shocked to learn of his passing today when I stopped by for my monthly trim. He was so full of life and was a real character, a good man, and he seemed happy about life, enjoyed his dog, and was a true American that I considered a good friend. He will certainly be missed by me and by many, many others I am sure. I am 11 years older so his sudden death is a real eye opener for me. Like many others, he was short changed on having a good retirement as he deserved, and is sad to hear for that reason as well.

My heartfelt sympathies are with his family. I am sure he is with The Lord and happy once more.

*Sincerely,

“ Tony was a life long friend of mine. I grew up with Tony and David. We went to school and church together, played football, and swam at the Lyman pool. Tony was honest and straight forward. You always knew what he thought. I looked forward to seeing Tony about once a month at the shop for a hair cut. He was every bit as good as his dad and mom at hair cuts. He would always make me laugh by repeating one of the many stories from our childhood growing up in Lyman. I will truly miss his smile and his friendship! Bonnie, Charlene, and David, I am praying for you as you face this difficult time. God bless you!

We have so many fond memories of our family connections when we were in Duncan and many of them were on Friday night watching Rebel football. “ Bonnie, David. and Charlene I am so sorry for your loss. I ran into Tony a few years ago and we laughed about the hard time he gave me for being from the wrong school district. We talked for a while and gave each other a hug. I am so glad that happened, He seemed very happy in his life. You all are in my prayers.

To the Clayton Family:

I am so sorry for your loss. Losing a Brother like Tony is devastating I have known Tony sense he cut hair at the Inman shop he became the only Barber that could touch my hair. The last 20 years of conversations and friendship and then the connection in the Masons has been truly a blessing to have known him. He was truly a good man and a good friend he will be truly missed
