“ I didn't find out about Vickie's death until today. Vickie and I have been friends since we were teenagers. She was either at my house or I was at hers. I loved her like a sister. Her parents were like my parents and mine were like hers. We went on vacation with each others family. After we both got married we didn't stay in touch like I would have liked to.

I am so sorry and sad for the loss of your sister and my best friend!

I will be praying for everyone in the family! Please let me know if I can do anything to help!

“ My prayers go out to all of the immediate family. Vickie was always such a sweet cousin. She had a smile and a “Hello Cuz” every time I saw her. May she Rest In Peace and rejoice in being reunited with her parents and grandparents. God's peace to her children and her siblings families. Karen Thompson

My deepest condolences to all who mourn our beautiful Vickie. She loved everyone and captured our love for her with just her beautiful smile. Her passing was so unexpected, and I realize that we have to go on without her. I know that this pain in our hearts is so heavy and real, but we will believe that she's in the hands of our Lord, and we shall all meet again one day. She raised three wonderful children. She gave them her pearls of wisdom. She showed them how to give love and to receive love. She will watch over everyone, and we will hear her soft, sweet voice when we need to hear her; for, she wanted and wants what's best for all, I am sure.
