“ I met Mr. Steve 22 years ago after we purchased our home. It was an older house with an oil furnace and Mr. Steve had been supplying it for many years prior to our purchase. He was always willing to come out at almost any time. And was always a pleasure to talk with and cut-up with. I loved his stories and jokes. Mr. Steve was also a frequent and favored customer at my son's place of employment, O'Reilly's. I wish I had a dollar for every time I passed him or saw him on the roads. I know I've seen him up around Henderson, down near Columbia, almost to Anderson , and as far East as Gaffney. He will be truly missed and always fondly remembered.
