“ Judy, It's hard to find the words to express our sorrow for your lose. Gene will be missed by so many that knew and loved him. He was always so willing to help us out with any problems we had. You know we go way back and I'll always remember going with you to hear his band play. He was so smart and talented in so many areas. We are here for you, please let us know if there's anything we can do. Praying that God will give you the strength and comfort you during this difficult time. “ Dearest Judy and Brian,

My heart breaks for you imagining what you must be going through at this time. Please know that I love you dearly and am praying for you in earnest. Danny and Jake send their sincere love, too. No one

leaves before

his appointed time, although I'm sure it must feel this way right now. Gene is with all those who love him on the other side, experiencing the joy we can't even phathom here on earth. Hearing music we only glimpse here, and loving his beloved "Taz" again.

What a wonderful idea for everyone to pay tribute to Spartanburg Humane Society in Gene's honor. God bless you and comfort you in His loving arms with His tender mercy.

Your friend for life and beyond,

“ Judy,
My prayers and thoughts are with you and your family. Although it is hard to understand when we suffer the loss of a loved one but take comfort in knowing that GOD had a reason for taking the person from you. Remember there is only one set of Footprints in the sand, because GOD is carrying you in His arms all the way. Call me if you need anything even if it is just to talk.
